

NAHB relies on members to guide the association and set our priorities by volunteering to lead our councils, committees and special interest groups. To help members succeed in leadership opportunities at the state, local and national level, the association provides special events, programs and resources to support their efforts.

## Events for Leaders

### **NATIONAL MEETINGS**

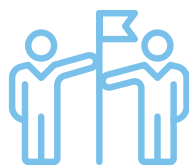

Leadership training and networking opportunities are available during NAHB's Spring Leadership Meeting, Fall Leadership Meeting and the International Builders' Show. Connect with other HBA Leaders during the President's Council, network with fellow leaders and attend educational sessions at any national meeting.

### **AREA LEADERSHIP TRAINING CONFERENCES**

NAHB partners with HBAs to host regional Leadership Training Conferences, making leadership training more accessible for member leaders while helping them to fine tune their leadership skills.

### **NAHB ORIENTATION**

HBA leaders are invited to attend a two-day networking and training session in Washington, D.C. Held twice a year, NAHB Orientation provides a rundown of NAHB programs, products and services while further developing the HBA leader's individual leadership skills. Once completed, attendees can effectively articulate NAHB's membership benefits and services.

# Programs for Leaders

## **LEADERSHIP ACADEMY**

NAHB's Leadership Academy is a small cohort of experienced industry leaders who complete a year-long program that elevates participants' leadership skills and prepares them to take on future leadership roles at NAHB. The Academy will also provide a greater understanding of NAHB local, state and national operations. Sessions are online and in-person. Learn more at [nahb.org/academy](http://nahb.org/academy).

## **LEADERSHIP CONNECT**

Leadership Connect is a year-long mentorship program that pairs experienced members with individuals new to NAHB's national leadership team. Participants get advice and one-on-one support during in-person and virtual meetups. Learn more by visiting [nahb.org](http://nahb.org) and searching for "Leadership Connect".

## **EMERGING LEADER GRANT**

NAHB's Emerging Leader Grant supports up-and-coming local and state leaders who want to pursue leadership opportunities on the national level. The award helps cover the cost of attending the Spring Leadership Meeting or Fall Leadership Meeting. Members who have not yet attended a national meeting are eligible. To apply, visit [nahb.org](http://nahb.org) and type "Emerging Leader Grant" in the search bar.
