

COMMUNICATION RESOURCES FOR YOUR HBA

NAHB's communications team has a collection customizable content to enhance your association's image, engage your membership and effectively communicate key industry messages.

Resources available to Executive Officers and HBA staff include:

Videos available to download on various topics

Customizable consumer articles, videos and social media posts

Industry and Federation talking points

Daily news via the NAHBNow blog

Social media and press outreach support

Visit nahb.org/commtools to learn more about all the communication resources available to help you save time and money.
